Hello, my name is (first & last name) from Metropolitan Research. We are conducting a poll of people's opinions toward public affairs and current events and this number was selected at random. This is a legitimate public opinion survey, and I assure you that we are not selling anything. According to the research procedure, I have to speak to the youngest (male/female) who is registered to vote at as a Republican at this address and is at home. (GO TO QUESTION A)

Are you currently registered to vote at this address? (IF "YES," ASK:) Are you registered to vote as a Democrat, a Republican, or as something else?
